

For those of us born a long time ago, here is also a written description of how to get here from the Hwy 6 junction, halfway between Nelson and Castlegar.

Head North on Hwy 6, at about the 10KM mark you will pass the Co-Op (fuel, booze, food, about 2 KMs past this watch for the Valhalla Park signage and you turn left on Passmore Upper Road, directly across from a power sub station.

We are 5 KMs from that turn. Cross the bridge and stay straight, and continue along the winding road, you'll pass the Baldface Farm location a short ways in. Keep going on and around the 3KM mark the whole road turns to grave. Shortly after you will come to a Y in the road, with the Forest Service Road on the left. Go right at the Y to come down to Ravencourt.

PLEASE NOTE: This is a long narrow and windy hill, so slow down and drive safe. Down that hill and you'll come out to the open fields on our neighbourhood.

Another 1/2 minute and our big beige stucco lodge, with its green roof, will look like some kind of farm meets eccentric metal artists playground. There's a Ravencourt sign on the tall fence posts. Welcome!
