

## **DRIVING INSTRUCTIONS – 4WD ONLY PLEASE!!**

**Google/Apple Maps enter: Ravencourt Lodge**

**Address: 4615 Passmore Upper Road**

From the Hwy 3A and Hwy 6 junction, halfway between Nelson and Castlegar, head North on Hwy 6. At about the 10KM mark you will pass the Co-Op fuel station in Slocan Park (fuel, booze, food). About 3 KMs past this store watch for the blue Valhalla Park (Drinnon Pass) sign, turn left. You will see a power substation on the right side of the Hwy. This is Passmore Upper Rd, and if you see the firehall, you've gone too far. You will begin to see our Logo on signage, 3 horses. We are 5 KMs down Passmore Upper Rd. Stay straight as you exit the bridge. Continue along this winding road. Good time to switch on the 4WD. Keep going and at about 4 KM the road will come to a Y, the Forest Service Road to Valhalla is on the left. You go RIGHT at the Y to come down a long and windy hill. PLEASE NOTE: This is a narrow and windy hill, so slow down and drive safe. If you meet a car use the pull outs to let each other pass. Once down the hill it's 1/2 KM and our big beige stucco lodge, with a green roof, will look like some kind of farm meets eccentric metal artists playground. 4615 and there's a Ravencourt Sign on the tall fence posts. Watch out for the DUNE work.

**Welcome!**
